

Employment Documents – Annual Subscription

Experience is the best teacher and after 11 years in business we have learnt that the most effective tools are the ones that are easiest to use.

HR Now's simple and creative toolkits include:

Statements of employment terms (contracts) for permanent and temporary employees and statements for zero-hour workers.

- ✓ HR Handbook – the traditional paper format OR our new digital version
- ✓ Consultation with employees to deliver the toolkit
- ✓ Onboarding tools – i.e. induction checklists, probation review forms
- ✓ Policies to align with internal practices and legislation updates
- ✓ Commercial Legal Protection (CLP) to provide protection against claims made by employees, subject to a criteria and following HR Now's advice

We keep you agile and up to date with employment legislation in a cost-effective manner.

Our commercial solution and promise to you is:

- 1) Clarity - Agree with you what you need now and for the next twelve months, and give you a fixed cost
- 2) Flexible payment - You pay 50% in the first month and the balance over the next 11 months
- 3) Peace of mind – One of our qualified HR consultants will make any further updates **free** of charge within the first twelve months
- 4) Keeping your business Commercial, Creative and Compliant

Why HR Now?
